Working With the Best Organizations

STRATEGIC FACILITATOR SUCCESS ACCELERATOR
Tony Jeary
 CLARITY · FOCUS · EXECUTION
 through Communication Mastery™

COMPANY	CLIENT	QUOTE	ASSIGNMENT IN BRIEF
	 TOM GRIMM President & CEO	<i>"I am not only impressed with your coaching skills, but more importantly, with your genuine commitment to supporting your clients and building a true partnership."</i>	Multiple times, execs from SAMs and Wal-Mart literally get into their corporate jets and fly to Tony's back yard to strategize in his Success Acceleration Studio. For years, Tony has contributed to the growth of this \$30b+ organization and its millions of members across the globe.
	JIM O'CONNOR President	<i>"Inspiration is no small matter when communicating important initiatives to large, independent minded audiences like Ford dealers. I have found Tony Jeary's insights on inspiring audiences to be both helpful and practical."</i>	Tony has been paid as much as \$1m for the single assignment of bringing team synergy to Ford. He has impacted Ford across the globe, working to impact all levels, including dealership, marketing, manufacturing, and even coaching the president and supporting the entire executive management.
	 MR. KIM President		Mr. Kim is an incredible man committed to excellence. He commissioned his PR company to comb the landscape to find the very best coach to support him. Tony was the chosen candidate. They instantly built a mutual respect and trusted relationship. Mr. Kim has worked with Tony on many occasions to continue to drive his excellence.
	MIKE GOREY President	<i>"It's great to see our group back together. There was energy we haven't seen in a long time."</i>	Tony has worked with the top executive management for virtually all of the Firestone Companies. They have adopted Tony's Communication Mastery methodology as a strategic high-growth catalyst, even to the point that Communication Mastery is now an HR performance review item at every level.
	TED CUNNINGHAM Executive Vice President	<i>"The momentum of the knowledge and skills you imparted spreads throughout Chrysler; our satisfied customers and our very future are truly enhanced because of your fine efforts."</i>	Spent 5+ years being paid over \$2m a year to work with Chrysler's presidents around the globe and was able to reach a goal in 1997 when Chrysler was on the front of Forbes magazine as the best company in America. When Tony started in 1991, the LH vehicles were code named "last hope".
	BRIAN GAREAU Human Resources	<i>"Thank you for your commitment, flexibility and passion for customer delight. You've set a new standard that other service providers must now try to achieve. We truly had a great return on our investment."</i>	Caterpillar consists of over 80k personnel divided into 25+ business units. Tony has been commissioned to work with and support HR across all business units, helping them with his PM methodology.
	FRED SIEVERT Vice Chairman	<i>"Tony provides a tremendous amount of help in a short period of time."</i>	It all started with a single request for Tony's book, <i>Inspire Any Audience</i> . What turned out was over a decade of synergistic partnership of helping over 8k agents, 134 managing partners, all the way up to the chairman of NYL personally. Tony has implemented his laser focus thinking in conjunction with NYL VP to support continued growth and best use of time, money, and resources. He's been commissioned to study and organize every single compliance approved seminar and his books, cds, videos have been major part of entire library of learning.
	 EDUARDO CASTRO President	<i>"I've been around Wal-Mart since 1977 and you made a hit!"</i>	Tony began his relationship working with the President of SAMs and because his methodologies were so effective to the largest company in the world, because of their need to cascade messages effectively and consistently around the globe to, in some cases, over 1m people, he has been commissioned and retained to work with over 100 of their top executives, personally shaping their brands, messages and processes, including the Vice Chairman, Mike Duke, and Wal-Mart's President, Eduardo Castro.
	DAVE WENTZ President	<i>"You're the most proactive advisor with whom I've ever worked....I have found you to be a results-focused partner and always looking for ways to add more value."</i>	Tony enjoys a special relationship with the President and exec mgmt of one of the best, well-run health-focused companies in America.
	MIKE BERRY President	<i>"You have a style that instills energy and confidence into our associates while allowing them to understand the importance of self-improvement. ... We are a better organization today as a result of our relationship with you over the years."</i>	Hillwood Properties is Ross Perot's real estate organization, run by some of the most effective superior focused executives in the world. Their attention to detail, their award-winning company, never stops short of continuing to improve and for years Tony has helped them shape their strategic direction and communicate more effectively.
